What position are you nominated for? Treasurer

Year in which you were first licensed? 1989

Tell us a bit about your experiences as a ham: Started out as a Novice in April 1989. My interests are older and lesser used modes like SSTV and packet (modes I was unable to experience until recently.) I enjoy the camaraderie that hams produce when things need to get done.

Have you served on a radio club board before? No

Have you served other clubs or organizations in a leadership position? No

What do you believe are the strengths and weaknesses of the AARC?

AARC is a good club with many caring members that help out when they can. That is its greatest strength.

The weakness is the difference of opinions of the members that can get in the way of getting things done but this happens in every group (formal and informal) setting.

What skills and abilities do you think you would bring to the Board?

I am interested in keeping the club together. I listen and I ask the questions that some might not ask but are very relevant. I want to hear all sides.

What do you think you could accomplish as an AARC club officer? I want to work with other officers and members to work in the best interests of this club.
