**May 20-May 22, 0000Z-0000Z, W6SFM On-Air Bug Roundup**, W6SFM, Sacramento, CA. Samuel F. Morse Amateur Radio Club. 3.533 7.033 14.033 21.033. QSL. Bob Kehr, 13989 Sutter Highland Dr, Sutter Creek, CA 95685. The Samuel F. Morse Amateur Radio Club -- a CW enthusiast club based in Sacramento, California -- invites you to a special time bringing bug operators together on the air. This 48-hour event is not a contest; rather it is a time dedicated to celebrating our CW and Bug key heritage. In the same spirit as ARRL's Straight Key Night, participants are encouraged to get on the air and simply make enjoyable, conversational CW QSOs using a Bug style key as the sending instrument. There are no points scored in this event, and all who participate are winners. This is an opportunity to exercise, share, and exhibit your personalized fist. Amateur radio operators of all ages and levels of experience are encouraged to participate. Once the event begins, simply Call "CQ BR" so folks know you are a Bug Roundup participant. Grab that bug, clean those contacts, and let'er fly! We want to hear that "Banana Boat / Lake Erie Swing" or that commercial KPH/WCC quality fist. CQ BR will generally be found around x.x33 on 10-15-20-40-80, as band conditions allow. [w6sfm.org](http://w6sfm.org)
