

Instructions for completing the MDC QSO Party Summary Sheet

1. This is a pretty simple form to complete. In the first block enter your name, call sign, address, etc.
2. In block labeled "*Contact Points*" count up the total number of each QSO type. Multiply the number of each QSO type by the "Pts. Per QSO" for each QSO Type and Enter the number in the "QSO Points" column. Add each of the values in the "QSO Points" to determine your "Total Contact Points" and enter that as the "Total (Con)" in the final column.
3. To indicate your "*Category Entered (Cat)*" place and **X** in the "X" column of the row indicating the category in which you operated. Points will be shown in the "Pts" column.
4. To indicate your "*Power Multiplier (Pwr)*" place an **X** in the "X" column of the row indicating the highest power you used for any contact during the contest. For the non-math majors, <= means less than or equal to, and > means greater than. Again your points will be shown in the "Pts" column.
5. There are three ways to earn Bonus points for this contest. By using this form, you will be either entering by email or mail, which means you already missed out on the 50 Bonus points for entering online. The other two are 50 points for contacting *W3VPR*, the host station for the contest, and if you entered in the "Unusual" category and included a picture of your unusual station you get 50 points. Again put an **X** in the "X" column.
6. You may claim endorsements to any operating category by placing an **X** in the cell to the right of the endorsement type.
 - a. YL – You must be a female. We will take your word for it. In the Club category this endorsement can only be applied if all of the participants are YLs.
 - b. VHF/UHF Only – All contacts must have been made on the VHF and/or UHF bands.
 - c. Licensed Youth – You must be under the age of 18 years and operate all contacts using your own license.
 - d. Youth w/Control Op – You must be under the age of 18 years, and have made at least one of your contacts with the aid of a control operator.
7. In the block labeled "*MDC County and City Checklist*" draw a line through each County and City worked. You will need this total to compete your final score.
8. This is ONLY for participants from Maryland and the District of Columbia. In the block labeled "*49 States and 9 Canadian Provinces Checklist*" draw a line through each State and Province that you worked. Count them and again you will need this total to complete your final score.
9. This is ONLY for participants from Maryland and the District of Columbia. List the DX countries you worked during the contest (except Canada) on the back of the Summary Sheet. Count them and again you will need this to compute your final score.
10. In the "*Multipliers, Bonus Points, and Total Claimed Score*" you will computer your Grand Total.

- a. Take your "Total (Con)" from the "*Contact Points*" block and multiply it times the "Pts" listed in the "*Power Multiplier (Pwr)*" from max power level you operated. Write this number in the "Subtotal 1" box.
 - b. Multiply Subtotal 1 by the "Pts" listed in the "*Catergroy Entered (Cat)*" box and put the result into the "Subtotal 2" box.
 - c. Now add the number of entities indicated by strikeout in the "*Maryland County and City Checklist*" to the number of states and provinces indicated by strikeout in the "*49 States and Canadian Provinces Checklist*". Then add the number of "DX Countries Worked" to your total. Multiply the result by Subtotal 2 and put the resulting number into the "Subtotal 3" box.
 - d. Finally add the amount in Subtotal 3 to the total of all bonus points earned as shown in the "*Bonus Points Claimed*" box, and enter it in the "Grand Total" box.
11. Send the summary sheet and your log or logs by e-mail to mdcqsop@w3vpr.org or via snail mail to:

MDC QSO Party
P.O. Box 308
Crownsville, MD 21035-0308

12. See the example below. Still have Questions? Send an email to: mdcqsop@w3vpr.org

Instructions for completing the MDC QSO Party Summary Sheet

For Non-MDC Stations Only

(Stations not operating within the state of Maryland or the District of Columbia)

1. This is a pretty simple form to complete. In the first block enter your name, call sign, address, etc.
2. In block labeled "*Contact Points*" count up the total number of each QSO type. Multiply the number of each QSO type by the "Pts. Per QSO" for each QSO Type and Enter the number in the "QSO Points" column. Add each of the values in the "QSO Points" to determine your "Total Contact Points" and enter that as the "Total (Con)" in the final column.
3. To indicate your "*Category Entered (Cat)*" place and **X** in the "X" column of the row indicating the category in which you operated. Points will be shown in the "Pts" column.
4. To indicate your "*Power Multiplier (Pwr)*" place an **X** in the "X" column of the row indicating the highest power you used for any contact during the contest. For the non-math majors, \leq means less than or equal to, and $>$ means greater than. Again your points will be shown in the "Pts" column.
5. There are three ways to earn Bonus points for this contest. By using this form, you will be either entering by email or mail, which means you already missed out on the 50 Bonus points for entering online. The other two are 50 points for contacting *W3VPR*, the host station for the contest, and if you entered in the "Unusual" category and included a picture of your unusual station you get 50 points. Again put an **X** in the "X" column.
6. You may claim endorsements to any operating category by placing an **X** in the cell to the right of the endorsement type.
 - a. YL – You must be a female. We will take your word for it. In the Club category this endorsement can only be applied if all of the participants are YLs.
 - b. VHF/UHF Only – All contacts must have been made on the VHF and/or UHF bands.
 - c. Licensed Youth – You must be under the age of 18 years and operate all contacts using your own license.
 - d. Youth w/Control Op – You must be under the age of 18 years, and have made at least one of your contacts with the aid of a control operator.
7. In the block labeled "*MDC County and City Checklist*" draw a line through each County and City worked. You will need this total to compete your final score.
8. In the "*Multipliers, Bonus Points, and Total Claimed Score*" you will computer your Grand Total.
 - e. Take your "Total (Con)" from the "*Contact Points*" block and multiply it times the "Pts" listed in the "*Power Multiplier (Pwr)*" from max power level you operated. Write this number in the "Subtotal 1" box.
 - f. Multiply Subtotal 1 by the "Pts" listed in the "*Catergroy Entered (Cat)*" box and put the result into the "Subtotal 2" box.

- g. Now multiply the amount in Subtotal 3 by the number of entities indicated by strikeout in the *"Maryland County and City Checklist"*.
 - h. Finally add the amount in Subtotal 3 to the total of all bonus points earned as shown in the *"Bonus Points Claimed"* box, and enter it in the "Grand Total" box.
