What position are you nominated for? Director
Year in which you were first licensed? 1970
Tell us a bit about your experiences as a ham: Ham for 48 years ... explored many, many of the various niche areas of the hobby.
Have you served on a radio club board before? Yes
Please tell us about your prior experience on a radio club board.: AARC Director, AARC President (1997), AARC President (2017 partial term due to illness)
Have you served other clubs or organizations in a leadership position? Yes
Please tell us about those leadership positions.: Annapolis Knights of Columbus Warden, Chancellor, Dep. Grand Knight, Grand Knight
What do you believe are the strengths and weaknesses of the AARC? It has moved over the years away from being a more "snobby" group. It's more easy-going ... but ... tasks don't get the structure in planning/execution that they should.
What skills and abilities do you think you would bring to the Board? Attention to planning. Mentoring the newer hams.
What do you think you could accomplish as an AARC club officer? Move the organization forward a little more quickly by pushing for priorities and task planning. A little hap-hazard right now and progress tends to drag out.
