Club News

Announcements:

Meet & Greet: Planning for our Saturday, November 21st Meet & Greet at the Clubhouse from 1:00pm to 4:00pm is in full swing. We are hoping many of our established members and officers and Board members will attend to greet the newest members and bring them up to date on what we are all about. We realize that the more our new members know, the more they will get involved and become productive. Our established members have talent and experience to share. We will have a welcoming meal with ham and turkey main dishes and sides and dessert brought by members to complement. It is helpful if folks planning to attend send an email or text to Charles Gross (chuck1735@ aol.com or 1-443-336-4582) so we can plan for the right amount of food.

Elections: Ballot creation and election processes will be accomplished by November 12th and made available to members shortly thereafter. Elections will be conducted on December 3rd. Please remember that **voting must be done in person either at the clubhouse or remotely on Google Meet**.

This week's events at AARC:

Thursday, November 12th, 7:30 pm: Monthly Board meeting. If you are interested in observing the meeting, please contact a board member for the code. As an observer, please keep your microphone muted unless you are specifically asked to speak. The board email is on the club website.

Saturday November 14th, 12:00 pm-??? Testing conducted at the clubhouse by the Laurel VEC. Check-in begins at 12:00 with tests beginning at 1 pm or earlier if all candidates have signed in. Please preregister at https://hamstudy.org/sessions/AARC-W3VPR/all . This is important because it helps testing proceed more efficiently and with fewer complications.

Sunday, November 15th, noon till ???. Open Shack: Come join other club members to make contacts or perhaps help a new ham.

Tuesday, November 17th, 10 am - 2 pm: The Wrecking Crew: Members wanted to assist in whatever work we need done as well as a meeting with fellow hams. You don't have to be retired, so, if free, drop by. Contact Charles at chuck1735@aol.com for more info or to be put on his list or to be notified of cancellations. I hear they have good food for a fee.

Nets

AARC NETS:
As always there are our nets *only on the W3VPR Crownsville repeater* (147.075+ PL 107.2):
Monday-Friday, 7-9 am: the Holly Net
Wednesday, 8 pm: Wednesday Nite net.
As a reminder, Echolink (W3VPR-R) is available if you're out of the area.
And, of course, there may be other traffic on our repeaters during the day or night. This includes:
ARRL Audio News weekly broadcasts: Saturday mornings at 9 AM on the Crownsville repeater.
